

Merkle at a glance

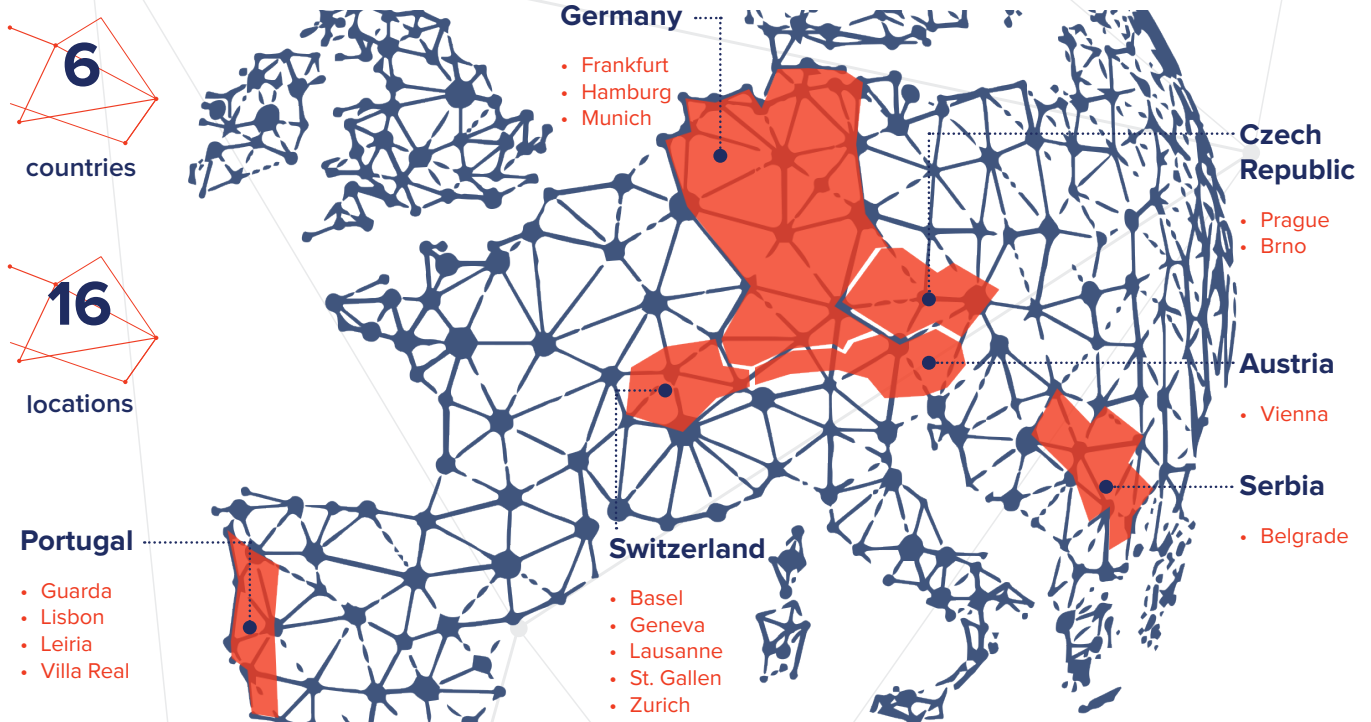

Factsheet DACH region

Company Name: Merkle – a dentsu company

Who we are: Merkle is a leading data-driven customer experience management (CXM) company that specializes in the delivery of unique, personalized customer experiences across platforms and devices.

Merkle in DACH: The merger of Namics and Isobar Switzerland and Austria in April 2021 has created a leading player in customer experience management, data-driven creativity and marketing technology in the DACH region.

Our Mission: At Merkle, we are experts for Customer Experience Transformation: *“We shape game-changing customer experiences with radical customer-centricity, strategic methodology and outstanding creativity based on forward-looking technology.”*
